Why Crossroads?

Crossroads' Playschool & Mother's Morning Out is a community outreach ministry of Crossroads United Methodist Church that strives to provide a service to the community by ensuring children in the program receive excellent care while growing independence and social development in a Christian environment.

Between chapel time on Thursdays and our centers-based curriculum, your child will experience a well-rounded and enriching atmosphere.

WHAT WILL THEY LEARN?

Our 1-year-olds will focus on music, sensory and developmental play. We will also be working on sharing and other age-appropriate social skills.

The 2-year-old curriculum adds the ABCs, basic numbers and shapes. They will also start to learn how to sit as a group and be introduced to some fun learning activities such as basic science experiments.

Moving into the 3-year-old class, children will be learning to count, tracing letters and exploring nature. Circle time and group play will be sure to help your little one grow!

The 4-year-old class is aimed at being prepared for the move into kindergarten. Focus will be put on basic math, learning upper and lower case letters, basic phonics, and sight words. We will also have fun exploring science and much more!

Each child will be given a basic assessment worksheet at the beginning, middle and end of the year so you can see just how much your little one has grown!

In addition, all children will also be able to participate in outside time, art, music, and special events throughout the year.
